Sandy,
As you are aware, the purchase order for the Van Survey Cards will not be in the IMS System until 3/15/95. We will enter these six different Survey Cards at that time. Also, please note that upon receiving these cards today, we found approximately 5% of the boxes to be mis-marked. (You might want to inform Garland Co. of this concern).

We corrected the problem at Kearny.

Thanks,
Art
